The VI Corps was allegedly deactivated as early as 1968. Except for the 16th Machine Gun and the 18th Motor Trans Dn, all units mentioned in the present report are known by their numbers. Allowing for minor changes in disposition, the following units may continue to be carried in their previous billeting areas:
		Senica-Levice-Bratislava area. 9th Inf Div with the 7th, 12th and 39th Inf Regts, the 9th Arty Regt and the 259th AT Arty Dn. **Rosice-Presov area.** 10th Inf Div with the 14th, 20th and 32d Inf Regts, the 11th Arty Regt and the 261st AT Arty Bn.
